I heard the corps that Juou sent out have discovered the Luciffis' base.
14. Lost Memories

However ... since their whereabouts have been discovered, we won't let them escape.
Indeed ... a suitable place for the Luciffis to hide.
The 'Scar of Evil', huh?

SFX: CRASH!
WHAT WAS THAT ...?!
But ... we sincerely hope that they have not forgotten their duty as members of the Reijukai.
We won't stop them

This is a free scanlation.
If you purchased it or downloaded it
from a pay-to-download site, you
GOT SCREWED!!!

#14 なくした記憶
Herself in the Mirror

As a result of the unnecessary sympathy garnered through Lord Shisei's prayers, we suffered severe damages.
After all we were able to find the Lucifi's no thanks to the Water Temple's compassionate benevolence!
You're being rude
Charlie
This matter was decided as a consensus at the All Sides Gate
Neither Lord Shisei nor Lord Kisei have any objections am I correct?

SFX ACHOO-
Geez! What is with this place ?!
Did you say the basement would be this cold?
SFX • SHIVER SHIVER
I want to have my old memories... What in the world...?
Here it is...

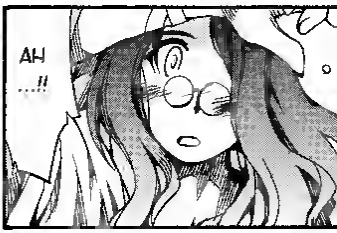
!
This is the Secret Stone Seal room
The knowledge that is preserved here is that of the old Sesuffis succession, knowledge that was passed from generation to generation
It's the only thing kept in here.
The Sesuffis were lost and their various histories were kept here.

It is the "Withdrawal Book of Law" that will bring forth calamity.
It is the history of the one kept in secrecy which must be told to no one.
Inside that hardened stone is a message that even we stone users are prohibited from touching.
.....indeed exposing too much of the deep secrets that were held within the Dragon Crystal ...
In her quest to uncover the secrets of the old sealed stone, my older sister who was conducting the research touched it ....
She wanted to know if that character would bring calamity.
... and so, my older sister was accused of purposefully disobeying the law ...
.... and as punishment, she was stripped of her memories at that time.

As for your current memories we can release the seal on them and return your memories to you
If that's the case
If that's how their law is, it's so cruel
Wait
This is
At that time, there was no other way
It was a measure from the Book of Law to prevent calamity from coming to pass you see?
SFX: TAP TAP
Before your memories were roughly stripped from you and sealed away, you hid a certain one in here
SFX: TAP
SFX: TRACING
Besides
... that my older sister remained silent and accepted her punishment was very brave don't you think?
!

I brought someone along older sister...

SEX BATTLE



AH ...!!

This is ...
These are your remaining memories and knowledge. Inside the mirror you transformed into this embodiment: "Phantom"!
Nice to meet you, Kishiru ...
Isn't it strange to meet with the person I once was thusly?
The fact that you came to this place ... means ... that you are determined to return to your real self ...
...?

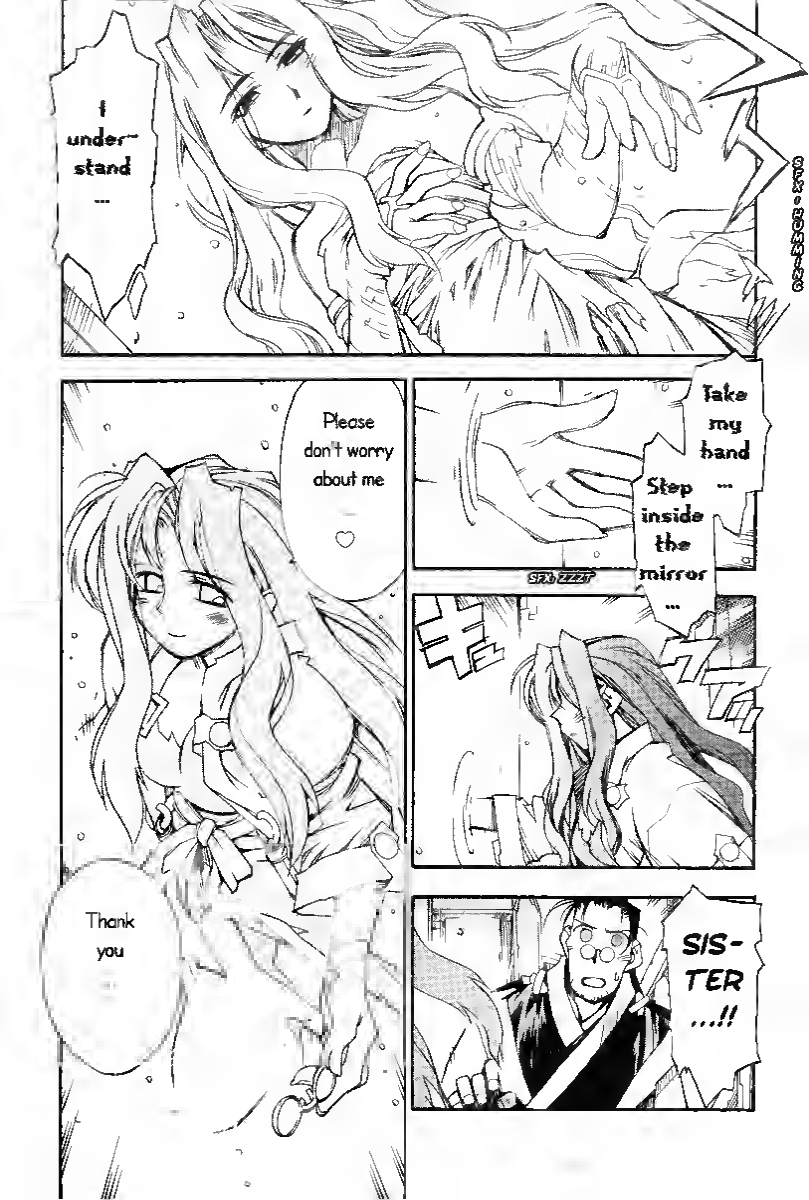
I'm sorry older sister
About that matter this girl still ...
What matter ?
SFX: THINKING
Wha ...?
What the hell ...?!
We still need to obtain that thing necessary to break the stone users' Seal Curse so that we can free my sister's memories, knowledge, and power that are dormant within her
You must understand that, if your memories are returned to you, they will come after you, as well
Pfft!
Those stone users can kiss my ass!!
And one more thing ...
.. because the Phantom inside this mirror is a medium left in order to restore your memories ... probably
Because ... probably

EH ?!
... if you recover your old memories ...
... your current ones might disappear
I think they will commit the same mistakes that they condemned you for after all ...
Your memories now will disappear ... The people of the Dragon Crystal temple certainly didn't forgive your sins, but
in order to give you back your memories we have to break who you are now.
But then ... you are already here, so Phantom is not needed.

You know, Ryuuin, I...
I thought I was really glad when I met those children...
I'm sorry, my sister...
That's why... I couldn't decide...
.....
Although all the memories inside me might be fake...
Even though I spent such a short time with them, doesn't that make them real...?
Before I knew it, I was traveling with Rudius and Mattie ...laughing ...getting angry at each other...

In order to evade the fate awaiting those children
I would definitely give up myself
If the potential to change their sad fate resides within me
....I want to bet it all ... even if there isn't much hope.
Ryuuin !!
You said before that 'there is a possibility', right?
Huh ?
EH ?!
I must try, even if it doesn't necessarily work!
There are other paths than this one, right?

Whichever mind wins... Wouldn't it be great to know that there are no hard feelings?
I'm sorry, but... I won't give this girl my mind...
PLEASE GIVE ME YOUR POWER !!



I understand ...
Please don't worry about me ♡
Thank you
Take my hand ...
Step inside the mirror ...
SIS-TER ...!!

I'LL BE BACK SOON ...
SFX: FLASH
SIS-TER ...!!

『Phantom Wizard』と前作『Sonic Wizard』の最大の違いは、女占い師のキシルという存在です。常に明るさを失わない彼女がルディス達の前に現れた事によって、ルディスとマティエを襲う宿命の輪が少しずつ変化し、彼らの未来も大きく変わっていく事になります。

「回想録」としての本作は、ひとまずおしまいです。個人的にはまだまだ描き足りない彼もありますが、彼らの活躍の続きは、次の機会に　。

A Note From Cireus

Hey, guys It's been awhile, I know, and I also realize that many people are wondering just what happened to our scanlation group Let me start off by apologizing As many of you who frequent the forums know, 2008 has literally KICKED MY ASS, in every sense of the term I've had so much to deal with this year, particularly from July onward, that, in many ways, I was unable to function in anything but the basest of capacities, and because of that, I have to apologize for MYSELF, and, unfortunately, my inability to function also impacted Cireus-Scans. See, I typeset PGE, Stigmata, Phantom Wizard, and Reideen. I also edit Sayonara Zetsubou Sensei and Wind Up Tina so I guess you can figure out what happened there Everything came to a screeching halt, and for that, I absolutely and sincerely apologize

My mother in law passed away in July, and that sort of set off a chain of events that escalated to my father in law moving in with us for awhile, and while it was what he needed, I ended up pretty much being the babysitter for the duration. Mind, I had no issue doing this, but well, I had no time left for anything else, and by the end, I was so emotionally drained that it just wasn't funny Then the recession REALLY hit us, and between stressing out over funds to keep the website up and running (THANKS to the FANTASTIC forumers!!!!) we were able to pay the bills and are hoping to raise enough money to purchase more server space

And then there was the HUGE problem We ran out of PGE raws We had all the raws through vol 20 but nothing else. Now I HAVE to pause here to give a LARGER THAN LIFE shout-out to forumer cynsny. Because of her generosity, I now have vols 21 and 22, and we're back on track.

So what does all this mean? Well, it means that the chapters I've got in stock from our FAN-FRIGGING-TASTIC translators are in typeset (or done) and we're shooting for a mass release sometime this month.
What do we already have? Well ...

* PGE 81 (typesetting)
* PGE 82 (translating)
* Wind Up Tina c 5 (typesetting)
* Sayonara Zetsubou Sensei c 22 (grammar edit)
* Phantom Wizard c 15 (edit/proof)
* Stigmata c 8 (finalizing)

And with any LUCK, we'll have a few more surprises in stock, too.

Lastly, a HUGE thank you to everyone who has expressed their concern and their love and best wishes.
We swear, we won't leave you hanging!!!

With all my affection,

Cireus

SFX ZZZZZZ
Is that
... that energy, Mattie ?
Let my heart merge with yours
... to tie your heart to the carved seal's 'chain'
It'll be removed little by little

15 Go To The Battlefield

SLOWLY WELLING UP FROM THE DEPTHS OF HIS HEART HIS EMOTIONS OVERFLOW

#15 戦いの地へ
Go to the Battle Field

Brother Efiel ... I thought ...
Although I thought for certain that the Lucifis were a horrible people ...
... if they do not misuse others, they can achieve happiness, don't you agree?
But, because the Lucifis can connect souls from person to person ...
... then the Reijukai ... will surely try to befriend them, right?
Ahh ...
That's right ...

LUI !!!
EFIEL, BEAR WITH IT!
AREN'T WE GOING TO HELP THOSE CHILDREN NOW?!
The elders used Lui as their guinea pig and she lost her life...
SFX BREATHING

It hurts !!!
You children are Lui's legacy --- children who have inherited something that no amount of money could buy ...
For Lui's sake, I cannot allow the lives of those she gave herself up for to be squandered ...!!
SFX - GRIP
Aaahh!
AHHHH!
Do not run away from that pain!
SFX - WOOSH
It'll subside; you must bear with it!
AAAHHH!!

SFX: (BUBBLES) GASPING

It is my concern that the Cursed Seal scars will overpower your weakened will and gain control of your body
The scars from the Carved Seal cannot be removed because it would affect your weakened mind ...
Somewhere in your mind, you have already accepted this fate ...
Even when I defeated you in battle, you had already accepted your fate ...
If you do not overcome your own weakness, the seal will devour you, and I will not be able to remove the curse ...

We might still save Rudius
No
Now We have to save him
Rudius' soul is at risk of gradually succumbing to the bloodmalice that awakened it ...
At this rate, his mind will be completely taken over. It is only a matter of time before it is lost.
Even so you ...
... and Rudius ...
Have you given up your own futures?!
ドドド

That s it
That s the feel-ing...
NO!!
I don't want to give up!!
I... I WILL FIGHT ...!!
I WILL NOT ALLOW IT TO END THIS WAY !!!

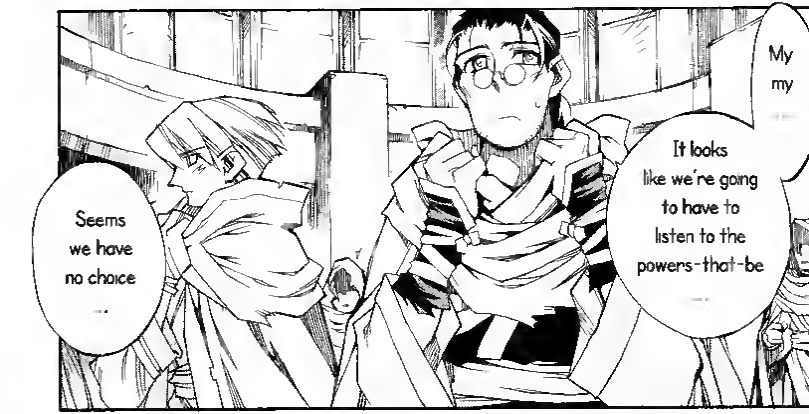
Are you saying that it will be a hard fight?
FOOL!
An elite corp has just infiltrated the Reijukai's head temple!
Did you say that the demand for the girl has increased?
What in the world has awoken in the Reijukai's head temple?
Wait a sec-ond!
Agree on a landing point for the corps we send ahead!
Make ready to transfer immediately!

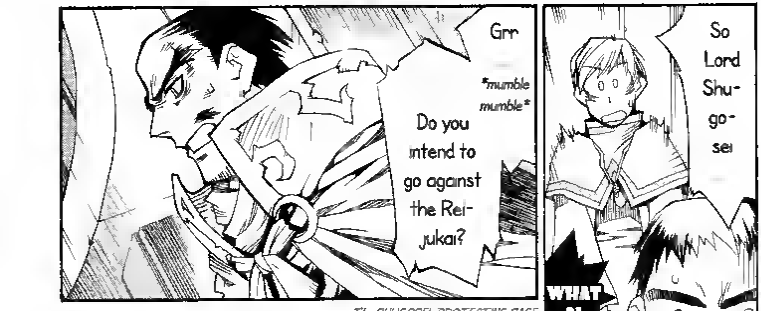
We just accepted this mission, too
Let's go at it together; whatcha say?
SFX: Eh...
ドゴッ
...And you guys are...?

I'm looking forward to killing with you guys... I'd hate to see you all get done in
Right, sweetie?
SFX: GROPE
SFX: KA
ギャああああ!!

!
You must be the Special Forces that Ryuuin sent, correct?
Whaa?
Why should I send the likes of you with the others?
After all, it might interfere with our strategy if I were to send in a party who sides with the Lucifis
Tch!

That ... that's ...
It's not my fault!!
The reason the old men are pickin' on you is because you're the one, standin' there lookin all nervous an shit!!
Tch!
Is everything overseen by the bastards at the top?





TL: SHUGOSEI PROTECTING SAGE

Our goal should be "Obstruction of the Luciffis", not "Eradication" of them
We'll sever them from the Reiyukai's main branch. Are there any tough elements?
By all means... I say we collabarate on this.
Tch!
Lord Silverus!
NO!!!

SFX: ZZZZZT
SFX: CLANG
You guys, head for the Temple!
We will follow as soon as we are done here!
You better hurry the hell up or you'll miss all the fun !!!
SFX: SCHWOOP

GWAAAAA!!
HEY!!
Get the fuck off me!!

KYAAAAAA!!
What the ...?
What the hell is that ...?!

You just appear all of a sudden? Where are you going?!
Why are you helping us now?!
Come back and give me a straight-up answer !!!

... because I despise that person ... I could not release him ...
I chose to share his burden of hatred and sadness, at the very least.
Because that person wills it to be so ...
It matters not to me if you do not understand ...
But ... right now, we share the same goal ...
Let us make haste.
I do not have much time left ...

SFX: CRACKLING
SHIT! The Luciffis ...!!
Aren't these monsters breeding everywhere?
Lur-ius

Since the spirits of the divine dead cannot be summoned they cannot use the earthly power that they so boast about!
Mwa-ha-ha!
It is fine if they are relegated to food for the lifeless ones underground!

Ahh, Mattie ... Just in time ...
You are one of us, too.
Lur-ius !!
We des-pise you.
We will no longer serve you.

Efiel ... you bastard ...
You ... BAS...

The history of the Lucifis going mad... ends here!
Where is Rudius?!
Give him back to me!!!

How much will her body be able to resist?

You are siblings, after all... Your existence is tainted with blood!
It is not possible to escape from a fate that you were born into!
Mattie!
You're wrong!!
We are...
Oh. That's how it is, is it?
In truth, you lust after your brother. Isn't your body dyed in the color of immorality?

We only granted that wish
Inside your cunning heart, there is such wicked lust
That's
That's so you can ensnare Rudius by force ..
Our actions are merely to continue to take advantage ...
Are your true feelings for Rudius so full of dark, sexual desire?
Heh You are just a young girl
If you were pure of heart, you could struggle against this curse!
AAH!
AAH!

Mattie! Do not let Zalem's words confuse you!
Curses... fate... Nothing has been decided! The future doesn't exist yet...
... even if you were born under that cursed star!!
SKY-GASD
It's all right for you two to decide your own futures!
Th
...
That's right
...
That time, Rudius
...

I tell ya
If you were sick, you shoulda said so earlier
I'm sorry
I'm always such a bother
If I weren't such a burden
I wouldn't cause you so much trouble, Rudius
What? Isn't it always like this?
It's not like I worry that much, just go to sleep.
Rudius...

Hey ...
... don't you have a fever or somethin'?
I... really understand.
More than this ...
... I mustn't fall in love with you, Rudius ...
... because we're siblings, right?
No matter how much we like each other ...
... if I let it become apparent, I'll be nothing but a burden to you
Mattie ...
But it isn't hopeless ...
SFX. CLENCH
I... Just as I thought. If I'm not by your side, it's no good, Rudius!

I'll always pamper you!!
What are you gonna do if those guys kill me ...?!
That's ...
That'll definitely never happen!!
I absolutely won't lose!!
But ... someday I might be able to waste those bastards from the Head Temple ...
... because there might be a time when I cannot protect you!
Wh--
D-dummy, don't cry!!
But ... but

If there's ever a time I can't protect you ...
... it'll be because I'm dead.
Aren't I the one you always rely on?
But isn't that so?
SFX: SQUEEZE YONK
... at that time, if you're still reluctant, I won't accept it!
You got that?!
If you do, say, 'yes'!
Yes!
That's why ...
Even if I'm defeated, I still want to protect you.

We ... If we had been born to different people ...
It wouldn't have been good.
So I guess all that's left is that thing from awhile ago ...
Although I don't really understand that stuff ...
We'll grow up ...
Even then, these feelings we share now will not change.
If you do your best, you'll become strong, even by yourself.

If we decide our own future ...
... then we won't have to worry or mourn ...
Then I think it'd be all right to stop being siblings ...

Why didn't I notice until now?

So what does all this mean? Well, it means that the chapters I've got in stock from our FAN-FRIGGING-TASTIC translators are in typeset (or done) and we're shooting for a mass release sometime this month.
What do we already have? Well ...

* PGE 81 (typesetting)
* PGE 82 (translating)
* Wind Up Tina c 5 (typesetting)
* Sayonara Zetsubou Sensei c 22 (grammar edit)
* Phantom Wizard c 15 (edit/proof)
* Stigmata c 8 (finalizing)

And with any LUCK, we'll have a few more surprises in stock, too.

Lastly, a HUGE thank you to everyone who has expressed their concern and their love and best wishes.
We swear, we won't leave you hanging!!!

With all my affection,

Cireus

For many years, the Lucifis elders conducted extensive research, and a method to extract souls existed ...
Thusly, the power of the "Black Blood" flows through Rudius and your bodies ...
The madness that lies dormant in your blood is causing your souls to go insane.
Through this, that power also becomes immense.
The more that power is exercised, the more it thrives.
However, as the curse was refined, distorted powers were poured in ...

Rudius remains barely alive.
Those evil spirits that possess his body are eating away at his heart while the tainted blood crushes him and drives him to the brink ...
You, Mattie, are the only one who can stop those regrets ...
... from every thing that the two of you have suffered!

Hey, Ryu-jin ...

If Rudius was saved, what did those guys go in there to look for?!
What are those two doin' in there?!
Settle down.
Does this got somethin' to do with your sister's origins that you were talkin' about?
... and they're searching for a way to save Rudius before his imminent demise.
My sister's memories were returned to her. The Reiyukai will soon detect it.
That's why they hid his corpse inside the mirror before Mattie's captured ...
Right now, Mattie is learning all the knowledge and techniques that were once lost to the Luciffis ...

Imminent demise, you say...
What the hell is that?!
So it's a done deal already?!

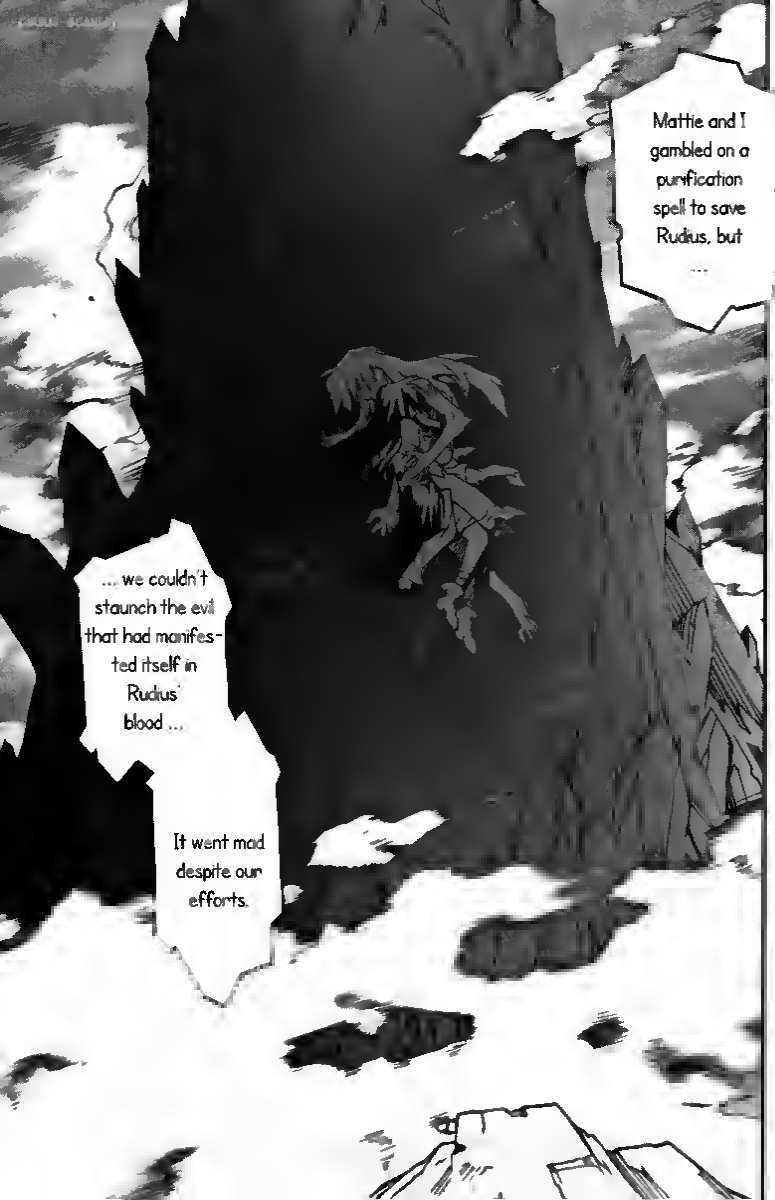
I am a practitioner capable of manipulating the resentment of the deceased, but
A practitioner never takes the malice into oneself. Instead, he or she performs a purification spell to cleanse the soul's pollution.



Mattie and I gambled on a purification spell to save Rudius, but ...
... we couldn't staunch the evil that had manifested itself in Rudius' blood ...
It went mad despite our efforts.

So ...
That's ...
... what you're saying is that Mattie merged herself with Rudius ...?!
That's about it ... I guess.
Are you really okay with that?!

-CIRCUS-SCANLATIONS-

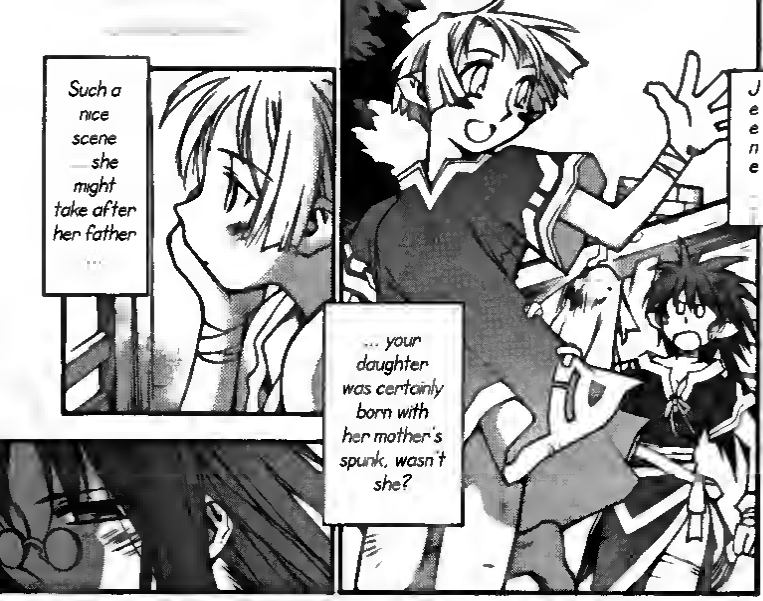
... to save the head water maiden ...



Such a nice scene ... she might take after her father ...
... your daughter was certainly born with her mother's spunk, wasn't she?
Jeene ...

After the fight, I wonder where he disappeared to ...?
Even with my ability in fortune telling, I still don't know ...
As for Gashuu ... I don't know where he is, either ...

That's right
I don't know whether or not Mattie and my ordeal will go smoothly. Right now, we're still in the dark.
Kish-īru ...?
But
that's okay, too.
It isn't decided
which is why I don't know
... but we're doing our best.

It will keep unraveling from the thousands of threads that extend into the darkness ...
There should certainly be a, something further on ...
I still cannot see it ...
